HAPPY NEW YEAR!!

We are looking forward to 2012 and are happy that your family has chosen to make us part of your extracurricular activities. Our classes offer a "Complete Package of Positive Effects". The most obvious are the physical benefits: Coordination, Good Posture, Balance, Agility, Endurance and Flexibility. We also teach our students to set reasonable and realistic goals and then how to reach them. This is a lesson that carries over to all other areas of life. However, one of the main reason kids choose our classes is because.....THEY ARE FUN!!

SCHEDULED CLOSINGS

January - No scheduled closings. WE ARE HAVING CLASSES MONDAY JANUARY 16TH even though schools are out!

February - We will not have regular classes the week of February 20th - 25th. We will offer day camp and special clinics this week.

March- No scheduled closings.

April - We will not have regular classes the week of April 2nd - 6th. We will offer day camp and special clinics.

Weather Closings - We do not necessarily go by school weather closings. In case of inclement weather, please call the gym for updates.

SPRING PERFORMANCE

Our Spring Performance is a very special event for our students. It is held every year at the end of the school year. It is an event that allows our students to show off what they have learned and to be recognized for their accomplishments. A schedule for the performance will be sent out next month. This is an annual event that is part of our curriculum. All of our classes participate (exceptions.....parent tot classes and 8:00pm tumbling classes).

We offer our full line of programs during the summer!!

Early Registration

For Summer Starts March 26!
